- Find out what to expect from services
- Use the internet for free

Linking you and your family to services that meet your needs.

Australian Government

THE COMMUNITY SUPPORT SERVICE
IS FUNDED BY THE AUSTRALIAN GOVERNMENT.

Community Support Service

Linking you to services

Community Support Service

The Community Support Service is for Aboriginal and Torres Strait Islander people and their families.

Community Support Service staff can link you to people who can help you.

We will work with you to find services in your area that meet your needs.

If you need help, support, advice or assistance, drop in and talk to our friendly staff.
